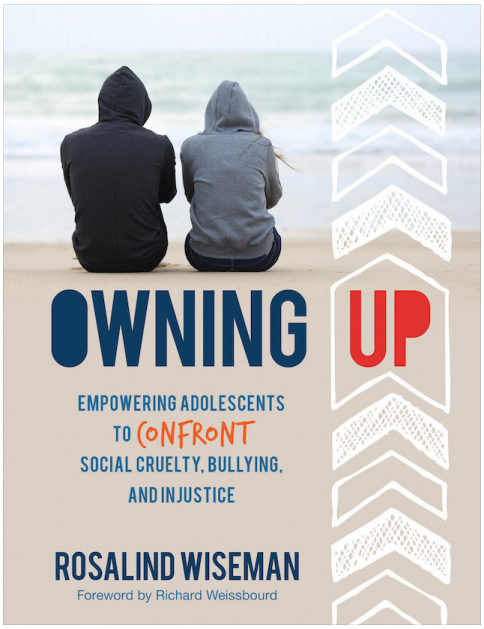
OWNING UP HELPS EDUCATORS PREPARE YOUTH TO BE ENGAGED LEARNERS AND SOCIALLY RESPONSIBLE CITIZENS.



The Owning Up Curriculum teaches young people to understand their individual development in group behavior, the influence of social media, and the dynamics that lead to discrimination and bigotry.

Whether you're teaching in a school, a team, or a youth-serving organization, Owning Up is a flexible, dynamic curriculum that respects your knowledge of young people and communities you serve.

Let's get started!

IDENTIFY GOALS

WHAT ARE MY GOALS WITH OWNING UP?

What are my hopes in bringing *Owning Up* to my community? What issues/dynamics/concerns exist in my community that *Owning Up* can address?
